

The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved .

Roncesvalles Avenue – Streetscape Improvements

MUNICIPAL CLASS ENVIRONMENT ASSESSMENT – PUBLIC OPEN HOUSE

The City of Toronto is undertaking a Class Environmental Assessment (EA) Study to examine potential streetscape improvements on Roncesvalles Avenue between Queen Street West and Dundas Street West. This Study is being undertaken in accordance with the planning and design process for 'Schedule B' projects as outlined in the Municipal Engineers Association Municipal Class Environment Assessment process, which is approved under the Ontario Environmental Assessment Act.

We would like to hear from you!

Public consultation is an important part of this study. Comments and questions about the study may be submitted directly to project staff and will be documented and reviewed as part of the EA process. The public open house will provide information on the study to date, the challenges and opportunities identified and the alternative solutions. Staff will be available to answer your questions and concerns.

The public open house is scheduled for:

Wednesday, July 9, 2008
Emmanuel Howard Park United Church – Fellowship Room
214 Wright Avenue (at Roncesvalles Avenue)
6:30 to 8:30 p.m.

How to stay involved

If you are unable to attend the public open house, but would like to provide us with your comments, or if you would like to be added to the project mailing list, please contact:
